

Health & Safety at Volcanoview Restaurant

The NZ Health & Safety Laws put emphasis on our responsibility as a provider of food, drinks and also on providing our guests with a free of charge playground.

We will ensure that our carts and flying foxes and swings are safe to use, we inspect the construction and physical and technical state.

You, the (grand)parent(s), supervisor(s), will have the task to explain to the people you supervise what the rules are, so that the risk of an accident is limited to almost zero.

By signing this form you confirm that you have read the information, provided in the entrance hall and at the entrance of the flying fox paddock, in regards the safe use of the pedal carts and the flying foxes and that you will supervise the people in your group that require supervision because of their young age, or other reasons you are aware of.
